

Unitarian Universalist Animal Ministry

June 2011

Dear Ones,

The UUAM Board is pleased by the support that UUAM has been experiencing. Our organization is maturing, and a sign of that is the generosity of our members. Our new membership categories have offered people the opportunity to give at a variety of levels. We hope that you will find a level of giving that you feel good about stretching to. This will allow us to continue to create ads like the one in the recent UU World, and to increase our presence within the denomination.

Thank you for all that you do for animals and UUAM.

Peace and blessings,

Rev. Beth Johnson
President, UUAM
